

Celebrating #EarthDay 2022

With the troubling news from the most recent [IPCC report](#), the urgency to amplify awareness and education about climate change and environmental issues has never been greater. This **#EarthDay** weekend, we invite you to join our partners and friends throughout the Greater Los Angeles area to celebrate the planet through art, education, stewardship and more! Planning your earth-filled weekend is easy with the extensive list below.

Can't attend an event? [Check out these tips from EARTHDAY.ORG for more ideas.](#)
