

GREENSTREET KNOWLEDGE EXCHANGE

(FOR AGENCIES & ELECTEDS)

You're invited to a free Greenstreet Event,
Tour and Lunch! Sign up now!

Connecting East San Gabriel Valley municipal staff, electeds and NGO representatives with their colleagues and peers to share successful greenstreet planning and implementation strategies

Join Us Thursday, June 8th
8:30AM-2:30PM at Ganesha Park in Pomona!

Are you interested in how your City's streets can better prioritize pedestrian circulation, shade, urban cooling, green space, and other pedestrian-oriented features such as sidewalk widening, native landscaping, and traffic calming? Come see first-hand how streets can help us better manage stormwater runoff as a resource and hear about greenstreet best practices related to...

- Public engagement and input
- Planning and lead time
- General plan consistency
- Funding/Costs
- Operations and Management

Event Highlights: Examples of existing greenstreets in the SGV, networking, breakout sessions, lunch (provided), tour the Foothill Blvd Greenstreet in Claremont, optional California Botanic Garden Tour of their new Forest Pavillion.
